- 2011 WCC Seminar
- 2011 WCC and COTY Booking Form
- Show Date for 2011 and Show Manager's contact details

Message from the SACC President, Jan van Rooyen

Dear SACC Members

The show year is in full swing and we have seen some very good cats taking top honours at the shows across the country. This is making the things to come for our members this year so much more exciting. In this edition of our newsletter we highlight all aspects around the upcoming World Cat Seminar and the 2011 Cat of the Year. You will find the program for the seminar and the booking form to attend both these events at the end of this newsletter. I want to remind you that there is an "early bird" discount for those that will attend both events and book and pay before 30 April 2010. Ten judges will officiate at COTY; 7 international and 3 local judges. Also read in this edition why the organizing committee decided to split the judges in two groups. A draw will happen at the Kitten Show to allocate the international judges in the two groups. The local judges will be selected at a later stage.

2011 is also the year that a new management team for SACC must

be elected. Make sure that all nominations are received in time. All the details are in our constitution.

See you at the shows.

Jan van Rooyen
President of SACC

Judges for Cat of the Year 2011

As you all know by now, SACC will be hosting World Cat Congress (WCC) in South Africa from 8 to 11 July 2011. The WCC is hosted annually by one of its member organisations and as part of this prestigious event the hosting member also has the opportunity to run a show during the WCC weekend. The Governing Council of SACC therefore made use of this opportunity to run our flagship event, the 2011 SACC Cat of the Year Competition at the same time. It is also a custom of this event that the WCC delegates who are qualified judges will officiate at the show run by the member organisation.

This presented SACC with the opportunity to make use of quite a few international judges for the COTY show. As 7 of the delegates to attend WCC are all-breeds judges, we were faced with a few challenges:

1. Will we let cats be judged 7 times by each judge?
2. What will the impact be on some of the cats if they are handled 7 times during one day?
3. Will all the judges be able to judge all the cats that qualified and still finish in time to clear

the show for the evening function?

The solution was easily found and the COTY Committee decided to split the judges in two groups. SACC's COTY rules present us with a model that will allow such a split to still present a fair and favourable result. It was decided to increase the number of judges to 10 (7 international and 3 local judges) and let the Entire and Domestic Sections be judged by 5 judges and the Neuter and Kitten Section by the other 5 judges. As our COTY model is based on judges placing cats in each section and the computer system assigns the same score for each particular placing, it does not matter that different groups of judges judge different sections. A specific placing by any judge will always carry an equal value to the same placing by any of the other judges. The judges selected for each grouping will be communicated in due course. This selection will be done by a draw process at the Kitten show. The three SACC judges will be chosen as per the rules closer to the final date. We are all looking forward with mounting excitement to COTY 2011 and we are sure that the correct cat will win and carry the honour of the title of SACC's Cat of the Year for 2011.

Jan van Rooyen
2011 COTY Organising
Committee

Cat of the Day

Here are the winning Cat of the Day's from Shows around the country. Our congratulations to the owners and breeders of these beautiful cats.

BRS Cat of the Day 26th February 2011

Sp Ch Spandau's Domino Dancer

Waterlee Ragdoll Cattery

Our imported breeding pair have produced a rare brood. Both parents are South African Grand Champions. Kittens are available for adoption to approved homes. Our preference is for a stable family environment for the kitten with a secure home. The Ragdoll is an indoor breed.
