

Oriental Medium Hair

The Oriental Medium Hair is a well-balanced animal with head, ears and neck carried on a long svelte body, supported on fine legs and feet and with a tail in proportion. The head - frontal view and profile - is wedge-shaped, neither round nor sharp. Alert and intelligent expression.

<p>HEAD: Wedge-shaped, long and well proportioned, carried on an elegant neck, with good width between the ears, narrowing in straight lines to a fine muzzle. The wedge starts at the tip of the nose and flares out in straight lines to the tips of the ears, forming an equilateral triangle. The skull is slightly rounded. Straight profile and strong chin.</p> <p>CHIN: Strong.</p> <p>NECK: Elegant.</p> <p>EARS: Large and pricked, wide at base, set so as to continue the lines of the wedge.</p> <p>EYES Oriental eye shape, pointed at inner and outer corners. Set well apart and slanting towards the nose. Eye size medium, neither protruding nor recessed.</p> <p>BODY Medium in size, long, svelte and elegant.</p> <p>LEGS: Long, proportionately slim, hind legs slightly higher than front legs.</p> <p>PAWS: Small and oval.</p> <p>TAIL: Long, tapering and whip-like.</p> <p>COAT: Coat medium long, fine and silky in texture, without woolly undercoat, lying flat along the body. The ears may be tufted, and the tail plume-like.</p> <p><u>Remarks:</u></p> <ol style="list-style-type: none"> Coat lies flat along the body, with the exception of the areas around the chin, neck and tail, where there may be tendency to frill, thereby disguising the underlying bone structure. By smoothing back the coat, it is possible to study the lines of the bone. Absence of a frill is to be preferred. Kittens, being born with short coats, do not normally achieve full coat until they are adults, and allowance should be made for this. 	<p>COAT & EYE COLOURS:</p> <table border="0"> <tr> <td style="vertical-align: top;"> <p>COLOUR/PATTERN</p> <p><u>Self-colours:</u> White</p> <p>Black, blue, chocolate, lilac, cinnamon, fawn, caramel, red, cream, apricot</p> <p>Black tortoiseshell, blue tortoiseshell, chocolate tortoiseshell, lilac tortoiseshell, cinnamon tortoiseshell, fawn tortoiseshell, caramel tortoiseshell</p> <p><u>Shaded colours</u> Tipped and Smokes including all tortoiseshell variations.</p> <p><u>Patterned colours</u> All classic, blotched, mackerel, spotted and ticked tabbies, incl. silver tabbies.
