Should the exhibitor be unable to be present for the entire duration of the show he/she shall make arrangements to ensure adherence to this rule. It remains, under all circumstances, the responsibility of the exhibitor to ensure compliance to this rule.

**RULE 5 - REGISTRATION** - Every cat or kitten exhibited at a Show held under the Rules in Championship classes, in Premier Classes or in Open or Registered classes, must have been registered with the South African Cat Register, prior to closing date for entries to a Show. If transferred to a new owner, the transfer must have been duly registered with the South African Cat Register prior the closing date for entries to a Show. All cats or kittens entered on a Show and sold after closing of entries must be duly transferred in the South African Cat Register seven (7) days before the Show but the entry remains in the name of the original exhibitor. Application for and registration of new studs shall take place prior to the closing date for entries to a Show.

**RULE 5(b)** - A kitten entered on show and not yet transferred in the name of the new owner, should be entered as pending transfer (P/T) from the breeder/original owner.

**RULE 6(h)** - Any cat entered in a show catalogue with breed and colour codes other than those prescribed by SACC will permanently forfeit its awards from that show.

**RULE 6(j)** - No kitten under the age of 16 weeks on the day of the show will be allowed in the hall whether for competition, exhibition or sale.

**RULE 7.1 – FRACTIOUS CATS** - If, in the opinion of the Show Manager & the Judge concerned, a cat cannot be taken out of its pen it must not be judged. A judge or steward shall report such incidents concerning fractious cats to the show manager immediately. The onus is then on the Show Manager to take the necessary action. If such fractiousness is confirmed after enquiry at the show, such incident shall be reported by inclusion in the list of main awards circulated to all Clubs, the Secretary of SACC and the Registrar within 3 days of such show. After 3 disqualifications for fractiousness, or proving unhandleable, an exhibit may no longer be shown.

**RULE 7.2 – FRACTIOUS CATS** - If a cat, during judging growls, bites or in any way threatens its handlers, the judge shall cease judging it, mark its award card and/or slip 'UTH' (unable to handle) and not place or award it. The show manager shall record such UTH results and report all incidents to the SACR with his major awards list. After 3 UTH incidents (a show counting as one incident) under 3 different judges, the cat may no longer be shown at SACC shows. The SACR will keep the necessary records and inform the owner and all show managers of cats not allowed to be shown anymore.

**RULE 8.1(k)** - Exhibitors may not choose a specific judge to judge their exhibits but may exercise the right to request a specific judge not to judge that exhibit and only at the Show Manager's discretion may be allocated another judge.

**RULE 11 – JUDGES DECISION** - Save as provided for in Rule 10, a judge's decision shall be final and binding on the exhibitors, save in the case of fraud on the part of the judge or any other person, in which case the decision shall rest with the Committee and no correspondence will be entered into.
