I was introduced to the world of cat shows at just four weeks old, attending my first event at the Standard Bank Arena in 1989. Throughout my childhood, I remained actively involved in the show scene - first as a show runner and later as a steward. In 1995, I acquired my first show cat, a Burmese, and continued to participate in shows until I commenced Judges Training in 2015.

Since 2016, I have judged across various breed groups as I progressed through my training, and I qualified as an All Breeds Judge in 2023.

I have a particular passion for the Foreign and Persian/Exotic Breed Groups.

Outside of the show hall, I am an Advocate of the High Court of South Africa.
