Cat Show History:

In 1987 I started exhibiting and breeding Siamese and Orientals. After a brief break, from 2002 I took up exhibiting and breeding again, Siamese, Devon and Cornish Rex. In 2005 I imported 4 Sphynx which laid the foundation for my Sphynx cattery. More cats were imported over the years to add diversity to the blood-lines of the Sphynx. I have bred a few very successful Sphynx cats and won the Wodac title 6 times, Kitten of the Year 2 times, Gauteng Cat of the Year and many Cat of the Day at shows. Many of my cats ended in the top 10 of SACC's COTY over the years. I am of opinion my Domino Dancer paved the way for the Sphynx-breed in South Africa with her outstanding show accomplishments.

I have also won Cat of the Year at CFSA in 2023.
